Africa - Travel Brochure

You are a travel agent. Your job is to excite people and get them interested in wanting to travel to an African country. Here is a list of countries to choose from: Democratic Republic of the Congo, Egypt, Kenya, Nigeria, South Africa, and Sudan. Be creative and have fun!

Your "brochures" can be created in Adobe Spark, Google Tour Builder, PowerPoint, Publisher, hand written document, etc.

Please be sure to include ALL of the following items:

A. Brochure

1. Flag of the Country.

2. Map of the Country – listing the capital city and 2 other major cities.

3. Physical Features – write a description that includes at least 2 landforms.

4. Natural Resources – list at least 2 and explain how they are used.

5. Government – describe the type, system, leaders, and role of the citizens.

6. Places to Visit – list 2 interesting places and explain why someone should visit them.

7. Climate – when would be the best time to visit? Write a description of the climate.

8. Economy – write a description of the country's economic system, trade barriers, literacy rate, etc.

9. Environmental Concerns – write a paragraph about any problems that the country's environment is facing.

B. Padlet

1. Post presentation to the Tour Guide Padlet.

2. Read/View the presentation of two peers' presentations who selected countries different from yours.

3. Select one country you wish to visit of the two countries you reviewed.

Comment on the following:

   a. How is the country you selected to visit similar to your country?
   b. Why do you want to visit this country?

Here is a sample timeline for completing this portfolio:
